

CUSHION CONCERT REGISTRATION

for the LSO 2016-2017 Season

The LSO's Cushion Concerts are **interactive, kid-friendly performances in your library, recreational center, or daycare**. For these events, an LSO musician shares music with your youngest library patrons, engaging them with creative stories, music history, explanations of instrument physics, or examples of music from around the world. Each Cushion Concert is unique. Be sure to **note the setting of your event and the average age of the audience** expected at the event, so the LSO can provide a musician to meet your needs.

Cost of Event: \$40.00. Checks can be made payable to the Lafayette Symphony Orchestra. We also now can accept credit cards over the phone at (765) 742-6463.

Advertising: It is the responsibility of the library to advertise for an upcoming Cushion Concert. Suggested advertisements: advertisement in local newspaper, advertisement on radio, flyers at library branches. The LSO can provide a Cushion Concert Flyer template upon request.

Venue: The Cushion Concert requires an open space. **A stage is not required.** Children can sit on the floor, or the facility can provide cushions or chairs.
